For best claim outcomes when an injury occurs, call AmCares®, where one phone call addresses nurse triage and reports the claim. The AmCares® nurse will take care of triaging the injury, directing to in network care and reporting the claim to AmTrust. Utilization of AmCares® generally leads to an increase in injured employees' satisfaction, network utilization, and possibly a reduction in medical cost, lost time from work, and unnecessary emergency room visits.

AmCares®

AmCares® is a 24/7 nurse line available to injured employees where nurses use nationally recognized triage guidelines to identify the appropriate level of care for an injured employee's injury: Self-care, Telemedicine, Occupational Clinic, Urgent Care, or Emergency Room. If the injury is self-care, it will be entered as a report only claim. Nurses speak both English and Spanish, other languages available as needed.

CALM & AmTrust Claim Reporting Best Practices

Timely Reporting

- Please file claims with AmTrust as soon as possible after being notified of an injury by your injured employee, preferably the same day. If the AmCares line was utilized, the claim filing has been completed for you. If the AmCares line was NOT utilized claim filing is mandatory, email a PDF of the First Report of Injury to CALM@amtrustgroup.com.
- Early claim reporting is essential to a better claim outcome. Don't delay reporting if you do not have all the details!

Directing Care

- State law requires medical treatment to be offered within 5 days of the notice of injury to retain employer choice of treating physician. If treatment not offered within 5 days of notice of injury, the employee can choose the treating physician. Directing an injured employee to an AmTrust network physician is critical to ensure timely, quality treatment and a medically appropriate return to work.
- Utilize AmCares to direct injured employees to an AmTrust network provider or use our online physician search <http://goperspecta.com/VPD/amtrust/public/ProviderSearch/Main>
- Report Only claims, where an incident occurs but no medical treatment is needed, should be reported as "RO" claims, and will not count as a claim on your loss history or count towards your premium calculation. If the employee refuses medical treatment, have them sign a statement that they refused treatment and send it to AmTrust.

Claim Documentation & Medical Bills - Include Claim number on all correspondence.

- Amtrustclaims@amtrustgroup.com is the most efficient manner to share correspondence related to the workers compensation claim. This includes but is not limited to wage information, witness statements and work status reports.
- Wage information is gross salary for 52 weeks prior to the date of injury. If there are not 52 weeks available, gross wages should be supplied from date of hire to the day prior to the date of injury.
- Employees should be advised that any bills related to their on-the-job injury received at their home can be emailed to Amtrustclaims@amtrustgroup.com, or brought to you for forwarding to: AmTrust North America, P.O. Box 89404, Cleveland, OH 44101.

Forms

- **Medical Care Authorization Form.** This form is used when the injured employee needs initial medical treatment away from the work site. Print the form, complete the top section and send it with the injured employee to the medical provider
- **Witness/Co-Worker Statement.** This form is completed by the person that witnessed the injury.
- **Consent Authorization for Disclosure of Protected Health Information.** This is required for AmTrust to obtain medical records. **Must be signed by the Injured Employee**
- **Report of Occupational Injury or Illness Forms.** To be completed by the employee and the supervisor/manager on the day the injury occurs. If the injury results in the need for immediate medical attention, please have the employee complete this form when physically capable and then forward to AmTrust. **Must be signed by the Injured Employee**

- Keep in close contact with your injured employee regarding their treatment and off-work status. If they have questions that you cannot answer, please refer them to their assigned adjuster.
- Notify the adjuster if your injured employee misses work due to their doctor's orders, as well as when the employee returns to work.
