Get To Know Us

You've got a Model A Ford and so do we! Or maybe you just have an interest in Model As. Can we talk?

We invite you to attend one of our club meetings to get to know us and see what we are about. Information on the meetings is included in this brochure.

Our club is dedicated to the hobby of preserving, restoring, and enjoying the Model A Ford automobile, engaging in local community service projects, and socializing with friends with similar interests.

Our meetings are fun and informative. We have a short business meeting where we discuss club business and upcoming events. These events could include:

- ❖ Meet every Sat. at 9:30 am for technical seminar or to repair member's Model A's at Al's Garage.
- ❖ Making plans for a local tour, community event or overnight trip with our antique cars.

We have an opportunity drawing, refreshments and then plenty of time for the members to socialize. Most everyone drives their "modern" to these evening meetings which usually last 2 hours or less.

We hope to see you at an upcoming meeting.

Our Tours

We plan activities throughout the year where we can drive our Model As. Events include:

- ❖ Participating in area events put on by other Model A clubs, including the Orange County Pancake Breakfast.
- ❖ An annual two- to three-day trip to the Central Coast with local tours and activities arranged in the area.
- ❖ Participating in a number of local car shows, such as Relay for Life and Rock Around the Block.
- ❖ An annual anniversary picnic at a local park that includes Hubley races and bingo.
- ❖ An annual activity designed in conjunction with National Ford Model A Day.
- ❖ Participating in local Christmas parades.

In addition, we visit various sites throughout Southern California, including private car collections.
