Harbor Area Model A Club

Dedicated to
Preserving, Restoring
and Enjoying the
1928-1931
Model A Ford

Get To Know Us

You've got a Model A Ford and so do we! Or maybe you just have an interest in Model As. Can we talk?

We invite you to attend one of our club meetings to get to know us and see what we are about. Information on the meetings is included in this brochure.

Our club is dedicated to the hobby of preserving, restoring, and enjoying the Model A Ford automobile, engaging in local community service projects, and socializing with friends with similar interests.

Our meetings are fun and informative. We have a short business meeting where we discuss club business and upcoming events. These events could include:

- ❖ Planning technical sessions where we pitch in and help a member make repairs.
- ❖ Making plans for a local tour, community event, or overnight trip with our antique cars.

We have an opportunity drawing, refreshments and then plenty of time for the members to socialize. Most everyone drives their "modern" to these evening meetings which usually last 2 hours or less.

We hope to see you at an upcoming meeting!

Our Tours

We plan activities throughout the year where we can drive our Model As. Events include:

- ❖ Participating in area events put on by other Model A clubs, including the Orange County Pancake Breakfast and Central California Regional Group (CCRG) Jamboree.
 - ❖ An annual two- to three-day trip to the Central Coast with local tours and activities arranged in the area.
 - ❖ Participating in a number of local car shows, such as the American Cancer Society's Relay for Life and the Torrance Historical Society's Rock Around the Block.
 - ❖ An annual anniversary picnic at a local park that includes Hubley races and bingo.
 - ❖ An annual activity designed in conjunction with National Ford Model A Day.
 - ❖ A progressive tour with poker run.
 - ❖ Participating in local Christmas parades.
- In addition, we visit various sites throughout Southern California, including private car collections.

Harbor Area Model A Club Tools

Our club has a collection of over 30 specialized tools that are available on loan to club members. A small deposit is required to borrow a tool. The deposit is refunded to the borrower when the tool is returned in the same condition as when it was loaned out.
