Looking Ahead

Welcome to a new year for the Harbor Area Club. This virus thing is making things more difficult to organize, but we are going to try. We made it thru two years with president Wayne Sterling. It wasn't easy, but we made it. In the back-ground, we are working on some activities that will keep us going and on the road in our As

If you have any ideas for activities or projects let me or VP Dennis Simpson know and we will look into it.

This year, 2022, is our 65th year anniversary. We were founded in 1957 and have been active all that time. Let's not give up because of a little bump in the road. It's been a fun ride and we want some more of it. Stay in touch.

Editor's Corner By Dick Wyckoff

The new year is off and slowly moving along. Here in So Cal, we have had some nice days to take the Cabbie out for a spin. The picture on the right is in Palos Verdes CA the day after Christmas. Hung a wreath on the back end and enjoyed the ride. Lots of positive comments. It's amazing how many people out there love old cars and share their stories of times past.

The club is taking the virus thing seriously and postponing the banquet. Thanks to VP Dennis Simpson for taking the lead on the change of plans.

On a more somber note, the funeral of member Greg Earhart was well attended by members of several clubs. The Harbor gang had seven Model As at the ceremony.

Hope all is well. Stay safe. This too will pass.

Late note: Drain Marshall informed me that the Orange County club is planning it's Pancake Breakfast on Sunday, March 20th. Stay tuned for more info when available.

Dick

The Gordiniers and the Wyckoffs attending a meet in 2009 in Loveland CO. An entire week exploring the beautiful Colorado rockies. Lots of As showed up and they did well at 12000 feet altitude!

Jim's Technical Tip

by Jim Cannon,

LUBRICATING LOCKS

THE BEST LUBRICANT I HAVE FOUND FOR CAR DOOR LOCKS, TRUNK HANDLE LOCKS, AND IGNITION LOCKS, RECOMMENDED BY EVERY LOCKSMITH THAT I KNOW, IS DRY POWDERED GRAPHITE.

YOU BUY THE GRAPHITE IN A SMALL TUBE WITH A POINTED TIP. YOU INSERT THE TIP INTO THE KEY HOLE AND "PUFF" SOME GRAPHITE INTO THE LOCK. THEN YOU INSERT AND REMOVE THE KEY SEVERAL TIMES TO WORK THE GRAPHITE INTO THE LOCK TUMBLERS, AND OPERATE THE LOCK A FEW TIMES.

Touring

Rules for Touring

Now these are some rules for touring,
Common sense most people would say.
But they would be wise to observe them,
When venturing out in the old Model A.

Is the air in the tires sufficient?
Have the lug nuts been torqued down real tight?
Did you measure the crankcase oil level?
Did you check that tiny stop light?

Is the radiator topped off with water?
Do you carry a gallon for spare?
Are your brakes tight and safely adjusted?
Or do they need some additional care?

Do you carry a cell phone with you?
Power on, charged up and all?
Cause it ain't worth much in your pocket,
With no way to give you a call.

When touring in line with the others,
Are you careful to keep up your speed?
Do you signal upcoming turns clearly,
For the driver behind you to heed?

And while we speak of that fellow behind you
Do you keep him clearly in sight?
If he disappears from your review mirror,
Slow down to determine his plight.

We're all in this tour together,
Our goal is to have some fun.
Be patient with those who have problems,
You just might be the next one,

If everything's not to your liking,
Accept it and button your lip.
If you think you can do the job better,
By all means plan the next trip!

*Thanks to Dick Eberle, Cape Henry Region,

Give a Brick

In 2011 we began selling memorial bricks to raise money for the Model A Museum. Please consider purchasing a brick for a Model A fan. This is a great way to honor your favorite Model A'ers or recognize your Model A Club. The cost of a brick is \$150.00. To order a brick, complete the order form and return it to MAFFI with your check. All bricks will be installed on the drives in front of the Model A Ford Museum for everyone to see.

Marsha DuBreuil,

MAFFI Newsletter Minute-January 2022

Happy New Year from the Model A Ford Foundation. We have busy doing tasks around the museum so it will be ready for Model A Day 2022. Members of local clubs did some troubleshooting on electrical issues on the Gibby Station Wagon. At the end of the day the lights and horn all worked. John Marshall and crew have been working on the Paddy Wagon that will be added to the Museum collection later this year. The Museum should receive a large collection of unique Model A parts from the Steve Ryan collection in the Spring. These parts may be included the Model A Day Swap Meet. The Museum was offered the Gordon Buehrig Re-Creation Model A as a donation. The car is

on display at NATMUS. Another possible donation of a 1929 Fordor Blindback is in process.

Details on Model A Day 2022 at the Museum will be coming soon.

Thank you for your continued support of the Model A Ford Foundation through your membership and your donations.

Thank you,

As you know, the last two years have been difficult for us all. It has very much affected our club activities and memberships. I am trying to get an earlier start on collecting the \$30 dues for 2022 for our Harbor Area MARC.

MARC has informed us that for 2022 their dues will be increasing to \$50 annually.

Please send in your Harbor MARC membership dues earlier for the year 2022.

Make the check out to "Harbor M.A.R.C." and send it to me:

Ursula Schmidt
26419 Pineknoll Ave.,
Harbor City, CA 90710.

The dues for Harbor M.A.R.C. are \$30.

If you would also like to pay the national MARC dues at the same time, add \$50 and make the check out for \$ 80.

(I will then forward your \$50 to MARC).

Postage stayed the same; Add \$10 if you are still getting the Harbor Light by regular mail.

Thank you for supporting your Harbor Area MARC!

Editor's note: We editors take a lot of pictures at club activities hoping for a couple good ones to put in the newsletter. This is my favorite of all time. It was taken at the Palos Verdes Concours car show about eight years ago. The young man was talking to himself in the spare tire hubcap of Jim Beardsley's '31 Sedan. The scene lasted probably 10 seconds and was forever captured on film.
