A Note from the Harbor President Dennis Simpson

The Second Gear Grind

Part of the enjoyment of being a caretaker of a Ford Model A for me is also researching and reading about the history of the Ford Motor Company in the same era as our cars were in production.

In 1930, Ford opened an assembly plant in Long Beach at 700 Henry Ford Ave. Notice the tall ships in the background. I like to think that some of our cars were possibly built there.

Henry Ford wanted to control every aspect of Ford Motor Company, including foundries, machine shops and glass-making plants. He even acquired timberland in Michigan to produce the wood used in Model A's. His sawmills produced a lot of waste (sawdust). They made this by-product into charcoal briquets, hence Kingsford BBQ Briquets came into being.

So Ford could control the rubber used on his automobiles, his next endeavor was to build a rubber plantation, He acquired land from the Brazilian government for this purpose. He then built a town, Fordlandia, complete with a hospital and manufacturing facilities, for the workers. Ford's plans failed, and, in 1934, Fordlandia was abandoned, although there are still locals who live there today.

Of course, this is just the tip of the iceberg. I find the history of Henry Ford and the Ford Motor Company fascinating, and, if you do to, there are numerous sources of information on the interweb or books. Two of the books I enjoyed are FORD by Robert Lacey and FORDLANDIA by Greg Glandin, although there are many more books to find additional information. You may also find this website on the history of the Long Beach Assembly Plant interesting: http://fordmotorhistory.com/factories/long_beach/index.php#google_vignette

'Til next time, remember, only you are in charge of your happiness.

Dennis

Editors' Corner By Weeg & Steve Thompson

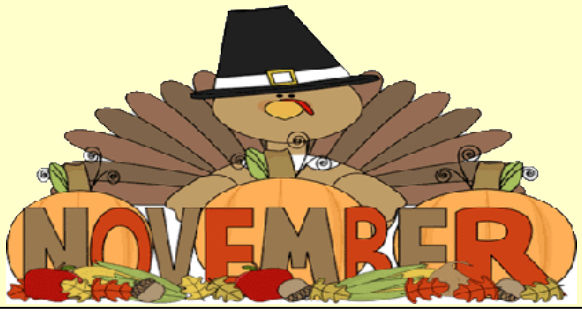

We were reminded during the recent Pumpkin Palooza how much we value our participation in the Harbor A's. Not only did we have a fun time, but we also saw how our club members help one another. We saw lots of people stepping up to help carry pumpkins for others; to help others get decorating supplies or food; to help clear, take down and move tables to vehicles; and to help make sure everything was cleared up when the event was over. We want to personally thank all those who helped us with unraveling the yarn we needed for our hairy coo. It's very true that "many hands make light work," and we are grateful to have been the recipients of assistance from so many hands.

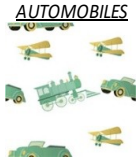

As always, be safe.

Weeg & Steve

Cops 4 Tots

by Jim Huizdos

Harbor Area Model A Club sent five members and three Model A's to the Cops 4 Tots Car Show to benefit Children's Hospital Los Angeles. A good time was had by all. Cliff, Dennis, Andy & Arlene, I had an early wake-up that morning. We traveled to the meeting locations and then an hour tour through downtown LA to the LAPD Police Academy (back of Dodger Stadium) to introduce that gathering to our "Model A" world. The eclectic mix of car cultures made it an interesting and informational show. The motorcycle brigade put on a show with precision driving. I won an award for the Best Import with my 1972 DeTomaso Pantera. (Steve put this in.) The fun was meeting like-minded car enthusiasts, whether driving a VW bug, low rider, bicycle or a classic Chevrolet or our Grandfather of the car…Our Model A.

Redondo Union Classic Car Show

Harbor Area Model A Club was well represented at the Redondo Union High School PTSA RU Classic Car Show. We brought five cars and six members: Dennis Simpson, Andy Soto and Arlene Esparza, Cliff Le Fall, Dick Wyckoff, and Steve Thompson. Once we got lined up and our displays properly presented, we enjoyed some very large donuts and coffee as we introduced the Model A's to the many spectators. There was a great DJ who played music from the 50's and 60's, as well as a live band. There were games, face painting, a raffle, and food trucks. Everyone had a great time and there was a lot of interest from the crowd in knowing about our cars.

Even though the event is relatively small, it is well attended and the hospitality and enthusiasm were great. Andy and Arlene won one of the raffle prizes again this year. We have to thank our own President, Dennis Simpson, for introducing us to such a fun event.

Fashion Corner

Know Your Hats

In the 1920's, nearly every man wore a hat. The 8-panel newsboy hat was worn by all classes, but was especially popular with young men, the working poor, and the rich while playing a sport. As the weather turned cooler, men gave up their straw summer boaters and Panama hats in favor of warmer felt hats, including the bowler (UK) or derby (US), fedora (more casual and customizable), or Homburg (stiffer and more formal). Top hats were reserved for formal occasions for the well-to-do.

Technical Talk

Front Wheel Shimmy

by Cliff Le Fall

The causes of a front wheel shimmy are many, and corrective action is not always easy. There are five areas to check. It could be only one of the five; however ,you should follow through and check the remaining parts. Below is a list of causes of shimmy, starting with the five most probable.

1. Worn spindle bolts (King pins and king pin bushings)
2. Worn steering sector
3. Out-of-round brake drums
4. Loose front radius rod and ball attached to the transmission housing
5. Worn drag link or tie-rod connectors (Note: worn or loose)

Safety First: Always use jack stands when jacking up your vehicle.

1. **Worn Spindle Bolts** – Jack up the front end. Place one hand on the top of the wheel and the other hand on the bottom of the wheel. Now push with one hand while pulling with the other, alternating back and forth. (You are testing for play.) If there is a lot of movement, you should replace the spindle bushing and ream. Insert the spindle bolt and align the front end. (See Ford Service Bulletin page 283, Figure 576). The spindle bolts themselves will only be replaced if they are worn. If you have no movement, or can barely detect any movement, you would not have to replace the spindle bolts.
2. **Worn Steering Sector** – Reach under the left front fender and pull hard back and forth on the steering arm or have a second party to turn the steering wheel very slowly back and forth. Observe to see if the steering arm moves up and down before the drag link is set in motion. Any movement in this shaft is NOT good. Replace the worn bushings and adjust the steering mechanism.
3. **Out-of-Round Brake Drums** – At a low speed, apply the brakes to see if there is a slight shimmy. It can also be detected by applying the foot brake slightly while the wheel is turning. You will hear the shoe dragging in one spot. (Turn you drums). Note: steel drums of Model A size should not be turned down to metal thickness of less than 0.120 of an inch.
4. **Loose Radius Rod** – This is not always easy to detect. You can't just reach under the vehicle and shake the radius rod. You will not be strong enough to move it. It can sometimes be detected by holding your hand on the gearshift knob while driving slowly on a washboard road. You can feel a jamming action against the transmission. Corrective action is to replace the radius ball cap kit.
5. **Worn Drag Link or Tie-Rod Connectors** – Grasp one front wheel and slowly swing from side to side. Check for looseness at the two drag link connections and at the two tie-rod connections. Correction may vary from merely tightening up the end plug to a major overhaul involving replacing balls, seals, springs, and plugs. To avoid a second front end alignment, it would be good to perform this operation at the same time you replaced the spindle bolts. Adjust toe-in to 1/16 of an inch, plus or minus 1/32 of an inch.

Note: Other causes of shimmy worth mentioning and items which should be checked.

- Loose wheel bearing
- Excessive caster
- Excessive camber
- Excessive toe-in
- Loose spring U-bolts
- Wheels out of balance
- Under-inflated tires
- Springs sagged
- Loose steering adjustment

Article by Verle Smith, Abilene, Texas

From SPARK of LOVE to TOYS for TOTS

After 33 years with the Spark of Love Toy Drive, the County of Los Angeles Fire Department is transitioning to Toys for Tots this holiday season. By teaming up with the U.S. Marine Corps Reserve they will bring the magic of Christmas to children across Los Angeles County! Toys for Tots has been delivering holiday smiles since 1947.

For the past few years we have incorporated the toy drive with our annual Holiday Cookie Exchange, and will support delivering hope to children at Christmastime again this year. If you would like to donate to Toys for Tots, we will be collecting new unwrapped toys at our Cookie Exchange on December 11th, which we will drop off at our local Fire Station (along with our leftover cookies).

Any new unwrapped toy is appreciated, however, most toys received are for ages 0-10. Items for tweens and teens are needed. Some suggested items for this age group have included but are not limited to: sporting equipment/bags/balls, books, backpacks, cosmetics, purses, watch/wallet gift sets, bath gift sets, board games, radio control cars/trucks, hand-held electronics, skateboards, curling irons, hair dryers, art sets.

Note: Stuffed animals are NOT accepted for any age group.

The continued support from our caring Harbor Area Model A members is always appreciated!

Harbor Area Model A Restorer's Club

2027 INSTALLATION BANQUET

IMAGE OF STEVE & WEEG THOMPSON'S PHAETON FROM PENNY DREADFUL: CITY OF ANGELS

SATURDAY, JANUARY 23, 2027 FROM 11:00 AM - 4:00 PM

The Cheesecake Factory – 605 North Harbor Drive, Redondo Beach, CA 90277

This year we will be enjoying a three-course meal (salad, entrée and dessert) with the following entrée choices:

- Evelyn's Favorite Pasta - broccoli, zucchini, asparagus, peppers, tomato, onion, garlic and fresh herbs, tossed with parmesan (vegan option upon request)

Dessert: White Chocolate Raspberry Truffle Cheesecake

Non-alcoholic drinks (soft drinks, iced or hot tea, and coffee) are included in the cost of your meal and are available during social hour, as well as with your meal.

---------- Order Form - Cut Here & return with check to Daffy Wagner ----------

Name: _____ Entrée Selection _____ Price $65.00*

Name: _____ Entrée Selection _____ Price $65.00*

TOTAL: $_____

For additional orders, please use the back of the order form section. Make checks payable to: HARBOR AREA MODEL A CLUB and indicate your entrée selection on your check. Send checks to Daffy Wagner at 2705 Carnegie Lane, Redondo Beach, CA 90278 by January 9th. *Note: The club is paying $18.75 per person. The actual cost for the meal is $83.75 per person. In addition, your parking fee will be covered by the club. Take your ticket from the attendant and turn it in to Tim Harrison who will process and return to you.

HARBOR MARC/MAFCA BUSINESS MEETING

DATE: September 25st, 2026 LOCATION: Walteria Park Club House

PRESIDENT: Dennis Simpson called the meeting to order at 7:03 P.M.

SALUTE TO THE FLAG: Weeg Thompson led the flag salute.

RECOGNITION OF PAST PRESIDENTS: Dick Wyckoff, Dennis Simpson, and Tim Harrison.

PRESIDENT: Dennis asked for motion to approve minutes of previous business meeting, Weeg made the motion, Jim H second the motion, all approved. Dennis acknowledged September birthdays and anniversaries. Dennis thanked Weeg and Donnis for a great progressive/poker run tour. The latest MARC magazine recognized the passing of MARC members. October 16th/17th is the last leg of the route 66 tour, Pasadena to Santa Monica.

VICE-PRESIDENT: Nathan Sherry noted there is a good selection of raffle prizes tonight.

TREASURER: Daffy Wagner reported the balance. Club received $100 from the poker run.

HARBOR LIGHT EDITOR'S: Steve and Weeg Thompson: Weeg reported the Harbor Light will be out soon.

TECHNICAL DIRECTOR: Cliff Le Fall- Garage will be closed on September 26th. The Cops for Tots tour is September 27th, meet at 6:45 at Harbor Freight.

TOUR DIRECTOR: Open Position

ACTIVITIES COMMITTEE CAHIR PERSON: Donnis Bates reported on upcoming events.
September 27th: LAPD Cops for Tots at the Police Academy.
October 10th: Redondo Union annual car show.
October 24th: Pumpkin Palooza at Jim Huizdos. Pay Gloria by October 16th. Meet at Shakey's at 9:30am, leave at 9:45.
November 14th: Tour Planes, Trains, and Automobiles. Meet at 9:30 am at Old Town Torrance Theater.
December 6th: Movie at Old Town Music Hall at 2:30pm. Lunch at 12:15 at Richmond bar and grill.
December 11th: Cookie Exchange and bingo at business meeting.
December 13th: Holiday Parade in El Segundo
Pat Harrison said she will be giving out bags for Food for Kids at the September meeting. Full bags will be collected at the October meeting.
January 23rd , 2027: Installation banquet at cheesecake factory $65 per person, pay Daffy.
Pat reported the bags for Food for Kids are available tonight to take and bring back to the October 16th meeting. If you do not want to fill a bag, cash donation are accepted. Also, personal hygiene items are appreciated. Donnis reported that there is a sign-up sheet for members who are interested in going on the MAFFI trip next fall.

HISTORIAN: Janet Winter, Absent.

TOOLS: Bob DeCrescenzo- One of the club tools is being used.

MEMBERSHIP: Ursi Schmidt- Absent.

SUNSHINE: Theresa LeFall- Reported it was nice to see Sandy Ragon tonight. Mirco is in the hospital and Noralene is not doing well.

WEBMASTER: Steve Thompson- Absent. Dennis reported web is updated.

ADVERTISING: Jim Huizdos, everything is okay.

MERCHANDISE: Jim Huizdos, Merchandise is available. Jim has a club jacket donated by a former member. Jim reported that the only thing is that it has the members name on it, Jim says make offer.

REFRESHMENT: Weeg Thompson- Refreshments were furnished from the LeFall's and the Bolanos. Weeg reported that we will have potluck dinner before the next October meeting. A-M bring main dish, N-Z bring side dish.

OLD/ONGOING BUISNESS: Dennis had new badges made for members, so check with Dennis is you have not received your new badge.

NEW BUISNESS: Bobby D reported on September 27th the beach car show is from 10-3 at the Redondo Peir. Sandy R had talked to Fran Earhart and she is interested in selling her Model A's. Donnis reported the club is going to donate the tables Janet gave us to Walteria Clubhouse. Also, at the board meeting a motion to buy four new tables to have available for our events was approved. Dennis and Tim are in charge of the purchase. At the September board meeting, a motion was passed to start the business meetings at 7pm.

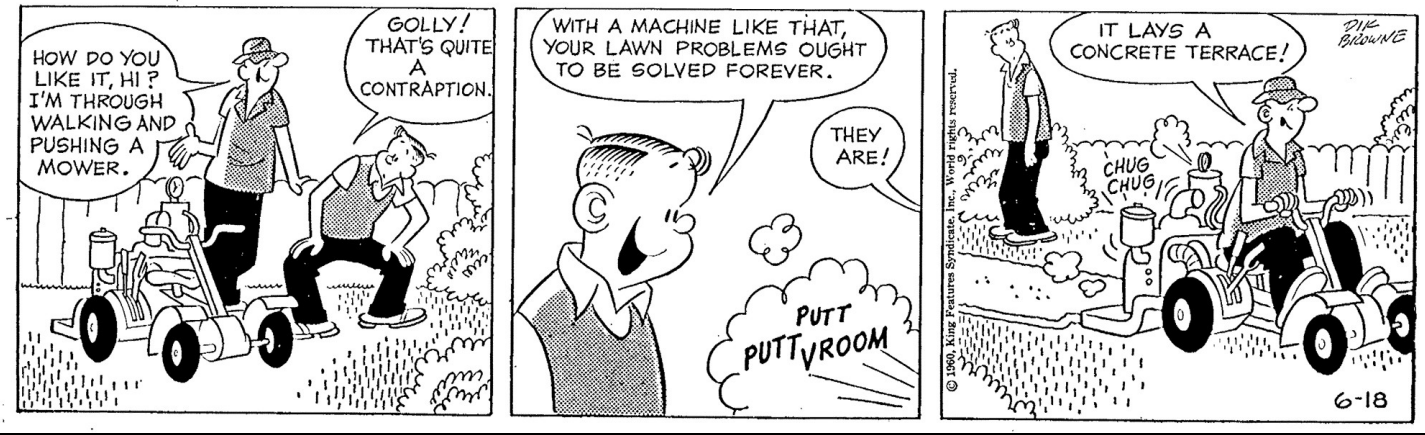

NEXT BUSINESS MEETING: October 16th, 2026, at 6:30 PM, potluck prior to meeting.

NEXT BOARD MEETING: October 8th, 2026, at Simpsons 7pm.

MEETING ADJOURNED: 7:40 P.M.

RESPECTFULLY SUBMITTED: Gloria Younkin, Secretary

Wowza! What a Pumpkin Palooza!!

On Saturday, October 24, two dozen club members plus Daffy's daughter, Patty, made their way to Farmer Jim Huizdos's house for our second annual Pumpkin Palooza, a fun time decorating pumpkins. We were helped throughout the day by Jim's daughters, Michelle and Stacey, whose assistance was invaluable.

Participants used a variety of media to express their creativity, including markers, paints, and embellishments like jewels, pipe cleaners, spiders, bats and ghosts. Some folks went for the traditional approach of carving their pumpkins, including Cliff who put his tiny pumpkin in jail this year. Weeg and Steve had the most unusual approach, turning their pumpkin into a highland cow (also known as a hairy coo) thanks to inspiration from Pat Harrison.

Farmer Jim changed hats during the day to become Chef Jim, grilling up some great hot dogs and sliders with all the fixins, plus potato salad and baked beans. We finished off our meal with amazing homemade pumpkin pie (Jim's specialty) with a choice of whipped cream or ice cream. If anyone left hungry, it was their own fault.

It's clear from the pictures that many fabulous pumpkins were created, some folks relaxed on Jim's swing, and everyone had a good time! Thanks to Gloria, Daffy, and Jim for organizing this event.

2026 Membership, Roster and Club Merchandise Items

Jim Huizdos has a selection of new **Club merchandise**. We have hats, shirts, patches, t-shirts and we still have 60th anniversary items for sale at a discount. More to come. The updated **2026 Harbor A's directory/ roster** is available from Ursi Schmidt free of charge through e-mail. Club members who don't attend events can request a directory/roster by mail. Contact **Ursi** at 310-561-4895. Make sure Ursi has your latest information. **Just a note**: We regularly update the directory/roster. If you have any address changes, phone number changes or email changes, let Ursi know. Let Steve Thompson know, too. He'll put the information in the ***Harbor Light***.

Friday, March 19	7:00 pm
Friday, April 30	7:00 pm
Friday, May 21	7:00 pm
Friday, June 25	7:00 pm
Friday, July 30	7:00 pm
Friday, August 27	7:00 pm

FOOD FOR KIDS

Once again, the Volunteer Center in Torrance were grateful for the Harbor Area Model A Club's donation to their "Food for Kids" program. This year we donated 34 bags loaded with the requested items, $245 cash, and many hygiene products. THANK YOU, CLUB MEMBERS!!!

Our donations of bags and money make it possible for identified school children in our area to take home a bag of food on Friday so they will have something to eat over the weekend. And if there isn't money for food, hygiene items are nonexistent for many. Talk about making a difference in a child's life.

"Food for Kids" is one of our annual fundraisers. If you would like to continue supporting this program with cash, food, or hygiene products throughout the year, the Volunteer Center is located at 1230 Cravens Avenue, Torrance 90501.
